- By Emo Tours representative will pick you up from your hotel and take you to Old Cairo and start to learn more about pottery.

Pottery is one of the oldest and most widespread decorative arts.

What is pottery:

Process and products for forming bowls and other objects with clay and other ceramic materials, which are fired at high temperatures to give them a hard and durable shape. The main types include earthenware, stoneware, and porcelain.

Some benefits:

Pottery enables improvements in flow and spontaneity, provides an outlet for sadness, helps with identification and self-expression, and enhances confidence and self-esteem.

Our hands are an outlet for creativity, and the sense of touch is very important. It takes a great deal of concentration while making pottery, thus external distractions are reduced and you are not stressed anymore.

After the Tour is finished our Representative will transfer you back to your Hotel
