We enter Petra on foot, though the Siq, a narrow, winding gorge over 1 kilometer in length. We visit the Great Treasury (Al-Khazneh Farun), the Roman Theatre, the Royal Tombs (the Rainbow Tomb is a must for photographers), as well as hundreds of monuments, tricliniums, and obelisks, all carved from the multi-shaded, rose red sandstone. A walk through the colonnade of Roman Byzantine Petra brings us to the city centre for lunch.

- Afterwards, we continue our tour to the hill of Al-Habis (crowned with a crusader-era fort) for a breathtaking panoramic view of deep gullies and uniquely colored rock formations.

Have lunch at a 5 star hotel restaurant, drive back to Aqaba at 6.45pm, an hour free time for shopping, and then take the ferry back to Taba, drive back to Dahab
