A one-day escape from Cairo to Lake Burullus where heavenly green fields and blue waters meet

- Fishing is very important for the local people here. The traditional boats—markebs and faloukas—are still used. Fishermen use traditional techniques (various kinds of nets) and take advantage of the reeds.
- then got on a boat heading to the beautiful islands in the middle of nowhere. This was the most peaceful and serene moment in the whole trip. It was certainly worth all the hassle. The lake is big, scenic and so diverse. On one side it is a river lined with small fishermen's houses and small motor and row boats on the banks, and on the other it is open to the fierce sea water and the mighty Mediterranean waves.
- The Sanctuary of the Church of the Virgin Mary is also located there.
- At the end of the Tour, you will be transferred back to your Hotel in Cairo
