- At 8:00 am Pickup from your hotel in either Cairo or Giza and transfer you to Egypt's Largest Camel Market - **Birqash Camel Market**.

The best day to visit is supposed to be **Friday**. The market is open till 1pm but most of the trading happens before 11am.

The traders have wonderfully character faces and I would have loved to be able to take close up portraits and talk to them and listen to their stories. Then Back to your hotel in Cairo
